Nancy Raiford and Henry Rains were my great great grandparents. As mentioned in one of the follow-ups, Nancy's parents were Robert Raiford and Civility Honeycutt. Henry's parents were Ambrose Rains and Christiana.

I am a descendant of Henry's and Nancy's daughter, Mary Elizabeth Rains who married Samuel Landrum. Mary Elizabeth died in 1920 leaving trunks of family papers, letters, deeds, pictures, etc. Her brother, John William Henry, died at age 14 of yell ow fever in Mobile, Alabama. His father had died ten days earlier. The deaths are recorded in the family Bible as well as the Mobile burial records. The family continued to live in Alabama, never returning to North Carolina. There has been quite a bit of confusion about the life of a John Henry Rains, but he is from another family.

Please let me know if you have any questions.

Sincerely,

Ann Carter Dennis

NOTES ON FAMILY OF JOSEPH AND CHAMP B. TERRY submitted by Lina Terry McIlwain 5310 River Thames Rd., Jackson MS 39211

I'm enclosing three Bible Records--one in particular which I believe you will be interested in.--The Joseph Terry Bible.

We have heard so much about the seven sons, and Dr. Peyton Green's letter explains that JOHN TERRY was the father of the 7 sons--and John Terry's father according to tradition by Mrs. Gloria Shuff was PERRYMAN GREEN TERRY from Ireland in 17 49. How I wish we could find out something about him--She says she is still trying to locate the source. Her grandmother was Texanna Anna Terry Vipperman, b. April 6, 1866, d. Feb. 12, 1948.

When I have more time will mail you other information which I have....We are all grateful to you for all your efforts and you are doing a wonderful job.

Notes for Elisha Young (Gen.) FAIR:

1996 C Mobile Ala., 5c Blue (58X2). Large margins, tied by "Mobile Ala. Aug. 12, 1861" double-circle datestamp on cover to "Hon. E. Y. Fair, Montgomery Ala." with addressee's docketing "Brussels 12

July", back of cover has black wax seal with "MWF " initials of Mrs. Wyatt Fair, General Elisha Fair's wife, also on back is ms. "Recd. & forwarded by H. V. H. Voorhies, Consul, 12 Augt. 1861" and large "Consulate Belgique a Mobile" handstamp with coat of arms, piece torn from front upon opening (not affecting stamp or markings, back has a light film of brown glue -- these cosmetic problems can be easily treated by a skilled restorer to improve appearance, but they have been left untreated to show the natural state of this newly-discovered red cover

AN IMPORTANT POSTAL HISTORY ARTIFACT. ONE OF TWO NEWLY-DISCOVERED COVERS -- THE ONLY BLOCKADE-RUN COVERS KNOWN FROM BELGIUM AND THE ONLY RECORDED BLOCKADE-RUN COVERS WITH CONFEDERATE POSTMASTERS' PROVISIONALS.

This cover originated in Brussels, Belgium, on July 12, 1861. It was sent by Mrs. Wyatt Fair to her husband, Gen. Elisha Y. Fair, who was former U.S. Minister to Belgium and left Brussels in late June 1861 to join the Southern cause. Mrs. Fair was unable to return to her native land until June 1862, due to the Federal blockade of Southern ports.

This cover and the following cover have recently surfaced, and they provide heretofore unrecorded examples of blockade-run mail sent from Belgium through diplomatic channels. The relatively early dates coincide with use of postmaster provisional stamps in Mobile and New Orleans.

~~~~~  
1997 C New Orleans La., 5c Red Brown on Bluish (62X4). Two horizontal pairs, full to large margins, cancelled by "Paid" straightline on U.S. 3c Pink entire with obsolete U.S. 3c 1851 stamp, both frankings correspond to double U.S. and Confederate rates, 3c 1851 tied by "New Orleans La. 1 Sep." circular datestamp, addressed to "Hon. E. Y. Fair, Montgomery, Alabama" with addressee's docketing "Brussels 23 July" indicating origin in Belgium, rough opening along top, tearing away part of embossed stamp but not affecting provisionals or 3c 1851 -- could be restored, but left untreated to show natural state of this newly-discovered cover

THE SECOND OF TWO NEW DISCOVERIES IN CONFEDERATE POSTAL HISTORY. THIS AND THE PREVIOUS LOT ARE THE ONLY KNOWN BLOCKADE-RUN COVERS FROM BELGIUM, AND THEY ARE THE ONLY BLOCKADE-RUN COVERS WITH CONFEDERATE POSTMASTERS' PROVISIONALS.

Although related to the Mobile cover from Mrs. Wyatt Fair, the different handwriting suggests that this was sent to Gen. Fair by someone other than Mrs. Fair. It originated in Brussels on July 23, 1861, and was routed through New Orleans, almost certainly through the Belgian consul, J. Deynoot, or his vice-consul, J. Noblom. The unusual franking suggests that the sender used a U.S. entire and 3c stamp in expectation that the letter would travel via the U.S. post office. Most likely, the person responsible for mailing the letter at New Orleans affixed the two pairs of provisional stamps for the double 10c rate to Montgomery.

A remarkable example of blockade-run mail through diplomatic channels -- and a unique combination of stamps.
